Dear Partner In Ministry

Season's Greetings!

During this Christmas Season, I want to take a moment to communicate my heart-felt thanks to you for being a partner of this ministry.

I'm so grateful to the Lord for you. I/we pray for our partners, and thank God for you ... for your love, your prayers, and your faithfulness to the Lord's work.

I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus. (Philippians 1:3-6 NIV)

2020 has been a year of change and great challenge for many. I'm sure your household has been affected just as this ministry has. The disruption created by Covid-19 and the lockdown has impacted us all...around the world.

The Christmas Season is supposed to be a time of joy, celebrating the birth of Jesus, but to many this year it is going to be a time of great stress. So many families here and abroad are affected by Covid, bringing untold struggles.

As well, hundreds of thousands in Ukraine are affected by Covid-19 with no release in sight. To make matters worse, the people have to pay to get tested.

For Masters, it meant a decrease in financial support causing everything to become very tight financially and unfortunately, we have had to make some cutbacks in support to some of our partners and projects in Ukraine. Because of Covid and government restrictions, we had to cancel our annual Glendon banquet and service at the Bonnyville Pentecostal Church.

Yet, the Holy Spirit spoke to you our partners, who carried us through this most difficult time!

You heard, you obeyed, and you gave sacrificially to help the less fortunate and needy. As a result God enabled us to accomplish so much this year. In the upcoming Winter newsletter, we will have a full and detailed report for you.

As I think about all that has been accomplished in 2020, we fully realize we could never have helped without your prayers and support. **Our partners and people of Ukraine thank you!!**

With the questions and uncertainty about the future, one thing is certain... the people/children of Ukraine are desperate and fearful. More than ever, the desperate cries of the lost and hurting ring out, searching for healing and hope! It is overwhelming, and, at the same time, it is an incredible opportunity to deliver the eternal message of God's hope and love and make a difference in the lives of so many precious people.

Many will be blessed this Christmas because of the 40 ft container of soup mix and food that we sent earlier.

I trust we can count on your prayers and continued support in 2021.

I and the board of directors of Master's wish you and your loved ones a blessed and joyous Christmas and a New Year filled with love, peace, health and happiness!!

May God's richest blessing be yours.

Stan
